

MIDSTREAM

At UPS Industrial Services, we go beyond maintenance to deliver full-scope support across every phase of your project.

MIDSTREAM INFRASTRUCTURE

- ★ Gathering Systems
- ★ Transmission Pipelines
- ★ Transmission Pipelines
- ★ Valve Stations & Custody Transfer Systems
- ★ Compressor Stations
- ★ Pump Stations
- ★ Storage & Terminal Facilities
- ★ Pigging & Inline Inspection Infrastructure

Midstream operators rely on UPS Industrial Services for field execution and specialty industrial services across pipeline systems, compressor stations, terminals, and storage facilities. Our teams work across outdoor and remote operating environments where asset integrity and operational continuity define how we plan and execute every job.

ASSET INTEGRITY & FIELD SUPPORT

Integrity-focused field support across active infrastructure, maintenance programs, and pipeline systems.

- ★ **Pipeline Integrity Support**
 - Inline inspection (ILI) coordination and support
 - API 570 piping inspection activities
 - Hydrostatic and pneumatic testing support
 - Cathodic protection system awareness
- ★ **Compressor & Pump Station Maintenance**
 - Mechanical equipment inspection and repair
 - Rotating and reciprocating equipment support
- ★ **Routine Maintenance**
- ★ **Tie-Ins and System Modifications**
- ★ **Schedule-Driven Field Activities**

FIELD EXECUTION SERVICES

Specialty field services supporting active midstream operating environments, including remote and right-of-way locations.

- ★ **Mechanical and Piping Support**
- ★ **Structural Modifications**
- ★ **Scaffolding**
- ★ **Thermal Insulation**
- ★ **Protective Coating Applications**
 - Pipeline coating and lining systems
 - External corrosion protection and environmental exposure
- ★ **Crane and Rigging Support**

TANK & STORAGE PROGRAMS

Tank construction, inspection, and maintenance to API 653 standards.

- ★ **Tank Construction and Maintenance (API 653)**
 - Shell and floor inspection and repair
 - Roof system installation and repair
 - Annular plate and nozzle work
- ★ **Containment and Secondary Systems**

**PROFESSIONAL CRAFT.
EXCEPTIONAL RESULTS.**
