

PETROCHEMICAL

At UPS Industrial Services, we go beyond maintenance to deliver full-scope support across every phase of your project.

PROCESSING ENVIRONMENTS

- ★ Olefins
- ★ Aromatics
- ★ Methanol
- ★ Polymers
- ★ Vinyls

A trusted partner to petrochemical facilities, UPS Industrial Services delivers integrated specialty services and field execution across major capital projects, active-unit operations, and turnaround execution. Backed by deep expertise in high-alloy materials, compressed schedules, and active-facility coordination, we help keep your operations running safely and on schedule, supporting facility expansions and revamps, commissioning, maintenance, and ongoing operations from start to finish.
