

REFINING

At UPS Industrial Services, we go beyond maintenance to deliver full-scope support across every phase of your project.

REFINERY OPERATIONS

- ★ FCC Units
- ★ Hydrotreaters
- ★ Delayed Cokers / FCCU
- ★ Reformers
- ★ Distillation Units
- ★ Sulphur Recovery and Treating Units

UPS Industrial Services provides integrated specialty services and field execution support for refinery operations across active process units, turnaround environments, and long-term maintenance programs. From complete lifecycle execution on major capital projects to critical-path turnaround coordination and ongoing reliability programs, our we help you maximize uptime, extend asset life, and meet schedule-driven maintenance commitments across the full scope of process infrastructure.

TURNAROUNDS & MAINTENANCE

Coordinated support for outages, shutdowns, and ongoing refinery operations.

- ★ **Turnaround Execution**
 - Shutdown support & critical path coordination
 - Schedule-driven maintenance activities
 - Return-to-service support
- ★ **Heat Exchanger Services**
 - Bundle extraction and cleaning
 - Inspection, repair, & retubing
 - High-pressure hydro blast cleaning
- ★ **Routine Maintenance Programs**
 - Facility maintenance support
 - Multi-discipline coordination
 - Operational reliability support

INTEGRATED SPECIALTY SERVICES

Integrated industrial services supporting refinery reliability & operational performance.

- ★ **Scaffolding Systems**
 - Complex process access support
 - Turnaround access solutions
- ★ **Thermal Insulation Systems**
 - Heat conservation & personnel protection
 - Refinery process applications
- ★ **Protective Coating Applications**
 - Corrosion protection systems
 - Industrial surface preparation
- ★ **Passive Fireproofing Services**
- ★ **Mechanical and Piping Support**
- ★ **Crane and Rigging Support**

PROCESS SYSTEMS & INFRASTRUCTURE

Execution support across high-temperature and continuous operating environments.

- ★ **Towers and Pressure Vessels**
- ★ **Heat Exchangers and Fired Heaters**
- ★ **Process Piping Systems**
- ★ **Pipe Racks and Utility Systems**
- ★ **Storage Tanks and Process Equipment**
- ★ **Sulphur Recovery Units**

**PROFESSIONAL CRAFT.
EXCEPTIONAL RESULTS.**
